

NEW-ARK AREA EMMAUS SHARE GROUP SURVEY

Welcome to the New-Ark Area Emmaus Community. This Community is growing in leaps and bounds! We have people becoming active members of the Body of Christ nearly every month. With this rapid growth, sometimes it's hard for the Community's Good Shepherds to keep track of all the new Share Groups. But, of all the problems that face a Community, this is one problem that is easily solved with your help.

Please take the time to complete this short survey. The information you give us will be used to help all the Community members in finding the Share Group that fits their schedule and needs. Thank you so much for helping us serve you.
