

## New-Ark Emmaus Community Songbook Song Roadmaps (PowerPoint Slides)

This file is provided to facilitate communication between the Music Director and the Technical Director (Walk Weekend or Encounter) or the Song Leader and Audiovisual Technician (Gathering). **It is the Music Director's or Song Leader's responsibility to inform and assist the Technical Director or Audiovisual Technician** if, for a given song, he/she wishes to follow a 'roadmap' other than the one listed below.

NOTE: The song names that are **bold & highlighted green** below are ones for which there are no current 'official' CCLI chord charts or lead sheets (e.g. because the licensing has been discontinued, or it is a public domain song, etc.); for these songs, we have either created 'local' chord charts or have scans of an earlier available chord chart (these are available on the Music Director's Team page or the Song Leader's page as 'Community Songbook Local Chordcharts')

The song names that are **bold & highlighted yellow** below are ones for which current 'official' CCLI chord charts or lead sheets exist – however, the Community has not purchased them; the Music Director or Song Leader may include these songs in their songset(s) (PowerPoint slide files **do** exist for these songs), however, he/she is on his/her own to obtain the songs' chord charts and/or lead sheets

NOTE: If the Music Director or Song Leader wishes to include **a song that is not currently in this list**, he/she is welcome to do so **provided** the song is covered by CCLI licensing; if it is covered, the Music Director or Song Leader must then work with the Technical Director or Audiovisual Technician determine the lyrics that are to be displayed on the slides, including all repetitions.

NOTE: At the end of this document is a list of the songs (and roadmaps) included in what is referred to as the 'Standard Communion Set.' This is the song set typically used (but not required) during communion at Gatherings, and the Walk Weekends' or Encounter's Candlelight and Closing services. The PowerPoint presentation file for the 'Standard Communion Set' is in the Songbook Slides folder on the Sanctuary computer, the community's laptops, and the community's website (on the Technical Director's and Music Director's team pages).
