

Kitchen

Greetings – WOW what a Men's Walk! I pray that all of the Men from MW#32 had a great time and had plenty to eat. In the kitchen we are blessed to have so many willing servants who love to come and prepare and serve meals for each and every single one of you.

I haven't gotten a chance to introduce myself formally to the community. My name is Gladys Haney and I am the new kitchen chairperson. This is my 2nd time serving on Board and I am enjoying it. There have been some wonderful new updates to the kitchen, so if you are new to the kitchen or you have worked in the kitchen before, just know that some things have changed and we ask that you allow your crew chief to delegate to you the items that they would like for you to do and when to do them.

You don't have to know how to cook to work in the kitchen. There are plenty of people around who can graciously show you how to prepare and cook each of the meals. There are still spots left for the upcoming Women's Walk. Let's help make this walk the *Best Walk Ever!!!*

In His Service,
Gladys Haney, Kitchen Chairperson

Worship

Praise God for such a wonderful Men's Walk #32.....God is Good! And Praise God for the 30 Pilgrims for Women's Walk # 42.....God is Good! It will be "the best walk ever."

Community, we need you, we still have some open spots for WW #42 Prayer Vigil, and there are other Willing Servant positions open as well. Please take time to look over these openings and get signed up. Just a reminder, we are always looking for men's and women's Fourth Day speakers, Song Leaders, and Special Music people for Gatherings.

If you feel a "nudge" to fill one of these positions at a Gathering, or know someone that might, please let us know. Please, get signed up for Prayer Vigil and/or other Willing Servant positions.

God Bless each of you;
Linda & Gary Rudolph, Worship Chairpersons

Men's Registrar

Men's Walk to Emmaus #32 was a huge success! The pilgrims were truly excited with their experiences and were inspirational to me as I heard about them. Now, it's time to focus on the next Men's Walk to Emmaus.

The next Men's Walk to Emmaus will be October 21-24. Based on the excitement and energy that came out of Men's Walk #32, Men's Walk #33 should be every bit as exciting. So get your pilgrim registered for Men's Walk #33 as soon as possible. Ask your prospective pilgrim today, and have him complete the candidate portion of the registration form and then you complete the sponsor's

portion. Attach a check for \$25.00 for the initial fee and mail it to First United Methodist Church or give it to me. As you know, every walk is the best walk ever!!!

Men's Good Shepherd

Okay, so when I wrote last month's newsletter article we had yet to see what was going to be a record level of snow fall. I talked about how mild the winter had been that it had been a cold one but relatively little snow. After looking out the window a couple weeks ago and seeing the snow falling and falling and falling I had to think this must be God's sense of humor shining through. I wonder if he was thinking, "Mild winter, huh? They must want some snow," and he just threw open the gates to the snow dam. Regardless, I hope you have dug yourself out and hopefully are starting to look forward to spring like I am.

Regardless of what the weather was like, one thing is true – it didn't prevent the pilgrims of Men's Walk #32 from having the best walk ever! Were you a pilgrim on this last walk? Have you gotten involved in a share group? Do you need help getting plugged into a share group? My prayer is that you will surround yourself with other Godly men and share life and struggles with them. Allow them to help you and you help them make each Fourth Day a blessing in the eyes of God. Please call me (740.405.0727) or send me an email if you have recently added a new member, changed location or time of your share group meeting, or if you haven't yet joined a share group and want to get connected with one.

Women's Good Shepherd

Women of the New-Ark Emmaus Community, Women's Walk #42 will be here March 18th. We will have new ladies needing to join a Share Group. Please look over the list of pilgrims, check to see if you can help the ones you know to find a Share Group. You may want to check with people you know who have been on a walk and just ask if they are in a Share Group.

Are you in a Share Group? The everyday life experiences may require changes in Share Groups. Please feel free to find one that meets your current needs rather than missing that special relationship.

Sharing with sisters who hold you accountable, help you grow and serve God is a wonderful gift. We want each member of our community to be a part of a Share Group, keeping the fire of the walk burning, shinning God's light. Community members, sponsors and the Women's Good Shepherd are all here to support you in finding a Share Group.

Please feel free to contact me,
Ann Kittel, Women's Good Shepherd

DIRECTORY UPDATES (AND PRINTED NEWSLETTER REQUESTS)

PLEASE, PLEASE, if possible, use the **online directory update form (on our website)** for ALL changes you need to make to your address, phone number or e-mail address. This ensures that all the "right" folks get notified **quickly** of the change. This form may also be used to request a printed copy of **The Ark** community newsletter.

If your e-mail is changing (or has changed), PLEASE provide both the old e-mail address and the new one. This will allow us to keep our records current and clean. **Here's the link:** <http://new-arkemmaus.org/our-community/directory-update/>

THANK YOU!

Recreating History? The community maintains a historical archive containing, among other things, the group picture and the roster from each walk. Despite our best intentions, over the years, many of the pictures and rosters from the earlier walks were lost. We are trying to re-create our historical 'scrapbook', and are in need of the following:

Men's Walk Pictures	Men's Walk Rosters	Women's Walk Pictures	Women's Walk Rosters
Walk # 10, & 20	Walk # 1, 3,4, 6, 8, 9, & 10	Walk # 5, 17,18 20, 27& 38	Walk # 5, 13, 15, 17, 20,21,27& 31

If you have pictures or rosters for any of the walks listed above, please contact Eugene Haney (740-670-2721, or email agape@new-arkemmaus.org) to arrange having copies made for our community 'scrapbook'. **THANK YOU!**
