D                      G              D  
Grace, grace, God's grace  
A                                      D              G              D  
Grace that will pardon and cleanse within  
D                      G              D  
Grace, grace, God's grace  
A                                      D      A      D  
Grace that is greater than all my sin."

D                      A7                      D  
Marvelous grace of our loving Lord,  
A                                      D  
Grace that exceeds our sin and our guilt,  
D                      A7              D              Bm  
Yonder on Calvary's mount outpoured,  
G                                      D              A7              D  
There where the blood of the Lamb was spilt! *Chorus*

Sin and despair, like the seas waves cold,  
Threaten the soul with infinite loss.  
Grace that is greater, yes, grace untold,  
Points to the refuge, the mighty Cross. *Chorus*

Dark is the stain that we cannot hide.  
What can avail to wash it away.  
Look! There is flowing a crimson tide;  
Whiter than snow you may be today. *Chorus*

Marvelous, infinite, matchless grace,  
Freely bestowed on all who believe!  
You that are longing to see His face,  
Will you this moment His grace receive? *Chorus*
